A pillar of the community, Swan Library is preparing for a new century of service to Orleans County. We're turning the page on the past to provide a contemporary library for our patrons and their rapidly changing needs. Parking, accessibility, overcrowding, and increasing maintenance issues are barriers to efficient and effective operation of the 4-story Burrows' mansion, our home of 110 years. With the purchase of the former Dale's Supermarket site in December 2009, Swan Library is now the proud new owner of the most sought after Main Street property in Albion. Library trustees, staff and a growing core of volunteers are helping to realize the vision of a new, single-story facility that will effectively double the size of the current library. Your charitable gift will strengthen this effort, and help guarantee that the library's new chapter of service in the 21st century is a resounding success story.
